Erin is our "Miracle Worker" ! The Wielands

Ms. Keller had Anne Sullivan, our son Shawn, has Music Therapist, Erin Wagenar ! She has the talent of developing a variety of musical skills of her clients and bringing out those client's abilities in so many wonderful Musical ways !

Erin always is a source of inspiration in helping Shawn communicate with the rest of the world with Music. Shawn communicates with Guitar, Keyboard and percussion to mention a few. So, Erin, Just a Therapist ? Just a Music Therapist ? Not in our opinion ! She is in so many ways, Shawn's Miracle Worker. Thank you Erin and Spectrum Health, our son's Life is blessed because of you.

Respectfully submitted, The Wielands
